FIRST LADY

Foreword

Shadows is the theme of 1959 First Lady. No matter what we do, where we go, shadows are inevitable. They will always be there to advertise to everyone our actions good or not so good. The shadows of days spent learning at Whitney will last forever. How glad you are when you finally feel that something worthwhile has been accomplished! The shadow of the first Whitneyite roaming the halls, shadows of classes during a routine day, especially shadows of the many activities in which we participate. These are a permanent record of your school experience. May all shadows bring pleasant memories.

No matter who you are or where you stray,
Whether you have tried to make the most of life each day,

Something is beside you, yes
No matter where you go,
Something is beside you,
Almost as close as your very soul.

Men call it a shadow, a deprivation of light.
It's really a second conscience;
It could change your life from gloom to bright.

From infant creeping
To a man tall and straight,
Your shadow follows you,
Through sadness, happiness, love, hate.

When you question what you're doing,
Is it wrong or is it right?
Will it bring a happy dawning,
Or will it sadden night?

Is it for the good of others,
Or for your own selfish greed?
Is your main purpose in life
To help those in need?

If you won't listen to your conscience,
Please take this advise
Take a good look at your shadow,
Then for a decision, think twice.

As the years go on,
Think of all the things you have done;
Then thank the good Lord for your shadow
and pity the man who has none.

Our New Acting Principal

To the Class of 1959

Congratulations to the graduates of 1959 on the completion of three years at Whitney. I hope that you have learned well the skills of your vocation, the related technical knowledge needed to apply these skills, and the general information which each of us must have to be an intelligent citizen in this community.

During these last three years you have faced many problems. These involved learning complicated theories, mastering difficult techniques, and knowing how to get along with other people. Allow me to congratulate each of you personally on the successful solutions you have made to these problems. My earnest desire is that you will solve the problems of adult living with equal skill. Best wishes go with you as you undertake this endeavor.

Alvin C. Bippus
Acting Principal

DEDICATIONS

Miss Alvena Koegele was born in Toledo, Ohio.

She obtained her education at St. Patrick's Academy, and Ursuline Convent.

Miss Koegele attended Mary Manse, University of Toledo, and Teacher's College. Also she participated in summer sessions at Catholic University, Washington, District of Columbia, Notre Dame University, and the University of Toledo, where she studied vocational education.

At Teacher's College she majored in English and had a minor in business administration.

Before entering the teaching field, however, Miss Koegele was employed as clerk and typist in recording deeds, mortgages, and legal papers at the recorder's office, Lucas County.

Her first teaching assignment was at Spring and Navarre schools where she taught the sixth grade. Miss Koegele was then transferred to Whitney where she spent sixteen years until her retirement last year. She also taught night school and veterans rehabilitation classes.

Miss Koegele enjoys traveling as a hobby. She has been in Munich and Vienna. Besides travels in Europe, she has also been from coast to coast in the United States. Some of her other hobbies are tatting and rug hooking. Many of the exquisitely wrapped packages which the faculty present to certain members on special occasions were products of her artistry.

Miss Koegele deeply appreciates the consideration of both the faculty and students who helped make sixteen years at Whitney an enjoyable experience.

Mrs. Vietmeier was born in Toledo, Ohio. She was one of seven children, five of whom still live in Toledo. Mrs. Vietmeier is residing on Collingwood Avenue.

She attended East Side Central and Old Central High School. She graduated from Ohio State University with a Bachelor of Science Degree. She began her teaching career at Columbus Junior High School, Columbus, Ohio. After a few years, she went to Sandusky, Ohio, where she taught at Sandusky Senior High School.

In Sandusky she met Mr. Hastings Vietmeier, who was in the lumber business. They were married in Toledo and had a family of three children, and now she has seven grandchildren.

After the death of her husband, she came to Toledo and began teaching as a foods instructor. Many Whitneyites will remember her beginning their homemaking career. The spelling of her name has caused many a student to be eliminated in Whitney's Annual Spelling Bee.

Besides being a member of several teaching associations, Mrs. Vietmeier is a member of the Home Economics Association, and Delta Kappa Gamma.

Mrs. Vietmeier plans to enjoy her children and grandchildren during her retirement.

A native of Wauseon, Ohio, from where she graduated in high school, Mrs. Florence Wells has led an active, interesting life.

Her career began as operator in a telephone office.

She graduated from Davis Business College, and became office manager for a leading insurance company.

Working for Geer & Lane, attorneys, as legal secretary, she began the study of law.

Mrs. Wells held office as clerk in the Toledo Municipal Court, the first woman to serve in this capacity. In this position, she graduated from the University of Toledo with the degree of LLB and passed the Ohio State Bar examination (Bachelor of Law). Besides the degree of LLB, Mrs. Wells has a Bachelor of Business Administration and a Masters.

She practiced law with Kirkbride, McCabe and Boesel, and also under the name of Hunt, Stickney & Wells.

She served one term in the Ohio State House of Representatives, one term in the Ohio State Senate, three and a half years as assistant prosecuting attorney, the only woman to serve in this capacity in Lucas County.

Because of the closing of Ohio Savings Bank and Trust Company during the depression, where she served as assistant trust officer, Mrs. Wells took a position at the city welfare department in charge of distribution of clothing.

At Davis Business College she taught accounting, shorthand, and legal secretarial classes, then in 1941 became co-ordinator at Whitney.

Mrs. Wells has held many offices in various clubs:

past president of the Federation of Business and Professional Women's Club,
past president of the Zonta Club,
served on the Toledo Charter Commission one term,
past president of the Toledo Women's Bar Association,
past mother advisor and district deputy of the Order of Rainbow for Girls,
past worthy matron and past deputy grand matron of the Ohio Eastern Star,
past president of P. E. O.,
served on the board of the National Office Managers Association,
served thirty-two years on the executive board of the Florence Crittenton Home,
At the present, secretary of the Personnel Women of Toledo.

She is also a member of:

Pi Gamma Mu, honorary sorority on sociology,
Pi Lambda Theta, honorary sorority on education,
Kappa Beta Pi, international legal sorority.

Mrs. Wells has one married daughter.

In June, 1958, she resigned as assistant principal of Whitney, but is still active as principal of night school here.

Mrs. Wells was not only a fine co-ordinator but a real friend to all Whitneyites.

Senior History

Graduation, the goal of every senior at Whitney, is finally here. The past three years has meant hard work which will lead to a vocational achievement, a successful position in the business world.

Eight years of elementary training plus one year at a district high school preceded entrance to Whitney as a sophomore. That year, we became familiar with teachers, upper classmen, and the routine of a regular day. To give us a sense of belonging there were many events planned. Some of them, the assemblies at Macomber, shop meetings, the junior-sophomore "Pants Party," Christmas Party, never-to-be-forgotten Whitney Day. Class elections brought our first year at Whitney to a close.

Learning more about our chosen field was the accomplishment of the junior year. As we came in contact with new sophomores, we gave them the feeling of home. The end of the second semester brought employment for some. Others worked after school or during Christmas holidays. The candy sale, mothers' luncheon, Junior-Senior Day were the major activities of this year. The most exciting was receiving class rings.

The senior year is the fullfillment of planning at Whitney. All the qualifications and knowledge we have accumulated are now put to use in our positions and stored up for the future. We recall many happy memories, the forums, employers' luncheon, trip to Washington, prom night, senior banquet, the music as we walked down the aisle at honors assembly. The final curtain comes down on happy friendships with students and teachers —Graduation Day.

JUNIORS

Junior Class Officers

Left to Right: Doris Boyd, Treasurer; Betty Shulaw, Sergeant at Arms; Mary Vassar, Secretary; Mrs. Littlefield; Gwen Ames, Vice President; Carol Textor, President.

Junior History

Entering activities wholeheartedly in the fall, the class of 1960 carried through a successful candy sale in October.

Officers gave first reports November 7 at an assembly in Macomber auditorium. After the business meeting Mr. Alvin Bippus, acting principal, showed slides of an African-European trip.

Christmas gifts came in early December for Whitney juniors—class rings!

Underclassmen honored the class of 1959 on Junior-Senior Day in March. Each senior was escorted by a junior to a special assembly in her honor.

In early May came preparations for the election of Senior Class Officers.

The planning of all classes, working together on committees, flowered into a never-to-be-forgotten Junior-Senior Prom, May 23.

Many girls are already working after school. Each junior is looking forward, with enthusiasm, to the world of business in which she will soon be a part. In her senior year, she sees a successful co-op and a promising future.

SOPHOMORES

Sophomore Council

STANDING: Judy Ross, Shirley Maroszek, Martha Collins, Pat Wiley.
SEATED: Diane Golembiewski, Miss Chetister, June Allen, Janet Pratt.

Sophomore History

Two assemblies in Whitney and one at Macomber helped acquaint sophomores with their new school. A willingness to work and cooperation combined to make the first party, Hoola-Hoop Hop, a great success.

Sharing work and having fun they made the holiday season pleasant for everyone with their decorations. Many classes also sent Christmas baskets.

As the year progressed into early May, campaign posters appeared and behind them came the sophomores, energetically supporting their candidates. The results of the election were even more thrilling to the girls.

The climax was the selection of school rings, which the girls purchase in their junior year.

At the end of the year it was no longer a mere acquaintanceship; for sophomores—Whitney was their school.

Ohio Distributive Education Clubs of America were founded in Zanesville. Teamwork was needed to amass needed money so the first local club was born with all the trimmings. A pin was adopted with the words "Distributive Education Clubs of America" displayed on its surface. In April, 1947, the national advisory board welded all D. E. clubs into one organization. The purposes of the clubs include exchanging ideas, developing leadership, setting high occupational standards, promoting friendship and citizenship.

At the regional convention in Bowling Green, October 29, 1958, the Whitney Chapter of D.E.C.A. won the office of vice president, Audrey Adkisson.

Every senior in cosmetology, foods-institutional service, needle trades, office practice is eligible to join Whitney Chapter of the Vocational Industrial Club. This state-wide association was organized to unite students enrolled in a vocation training.

In October, a state convention is held at Columbus; in May, another one at which awards, honors for outstanding work and achievement are distributed. Also, there are contests for job application, parliamentary procedure, extemporaneous speaking. Medals are given to participating students; plaques, to the school they represent. These are displayed in the lower hall.

ROW FOUR: Carol Textor, Ann Todoroff, Darlene Walls, June Whitfield, Sandra Wielinski, Joanne Young.

Y-Teens is organized through high schools for girls who enjoy doing for others as well as themselves. It can best be described by these Y-Teen aims:

1. To grow as a person;
2. To grow in friendship with people of all races, religions, and nationalities;
3. To grow in the knowledge and love of God.

The Y-Teens sponsor dances, which are usually held in conjunction with Hi-Y or other Y-Teen clubs. Swimming parties, potlucks, bake sales are some of the many activities included in the program.

NO PICTURE SUBMITTED: Elizabeth Keesee, Beverly Woods.

Junior Red Cross can best be described as "children helping children." This year Whitney J.R.C. was very active. They planned a party for old folks around St. Valentine's Day. A scrapbook was made for a girls' school in France. Enrollment, Gift Boxes, International Art Program, Easter favors were a few of the projects for 1958-59. For the first time, membership includes girls from every shop. Officers are Nancy Bowser, president; Lontine Cunningham, vice president; Jerrilyn Cady, secretary; Judith Chinni, treasurer. Mrs. Alvina Littlefield is sponsor.

Student Council exists principally to promote harmony among students of any school.

Among the many duties of Whitney Student Council are ushering at commencement, guarding at assemblies, collecting tax stamps.

The annual Student Council breakfast and the area Student Council dance are two social activities sponsored by the group.

This is an important organization in school because through it each girl has a part in the decisions that are made for the good of the student body.

A FINAL WORD

A Final Word

No matter where you travel,
Whatever you may do,
Your shadow represents
A silhouette of you.

Shadows can be happy
Or sometimes very blue.
Their every mood and action
Depends so much on you.

It follows you by morning and
Is with you through the night;
Imitates your every action
Be it wrong, or be it right.

Has it ever yet occurred to you
That when you're doing wrong,
The action's really doubled
'Cause your shadow is along.

Is it tall, or fat, or skinny?
Do its feet both touch the ground?
Even though you may not see it,
It's sure to be around.

It's like a second conscience
For it makes you see the light
When you see it do the wrong thing,
Which it could be doing right.

Is your shadow something frail,
Or have you made it strong?
Does it lean towards doing right
Or tend to do the wrong?
Just you alone will really know
The changes to be made.
Begin right now to do your best.
Don't let your shadow fade.

—Joyce Posy
